

Purpose of the Conference:

To provide healthcare professionals the opportunity to explore and share new ways to improve maternal and neonatal health outcomes.

Keynote Speaker:

Dr. Jeanne Alhusen, PhD, RN is an Associate Dean for Research, an Associate Professor, and an award-winning scholar and mentor. Her research includes ways to improve maternal mental health and, consequently, early childhood outcomes, particularly for families living in poverty.

Dr. Alhusen is a longstanding member of AWHONN, having served on the research advisory panel, chair of the research advisory panel and is currently serving her second term on AWHONN's Board of Directors.
